

# PARTY LIKE A ROCK STAR

Party-promoting Picasso **Jason Dhir** raised the bar yet again with his out-of-this-world Revolution: the Charity After-Bash Mega-Party VII at the Bar of Modern Art, following the 2010 Arnold Classic in Columbus, Ohio. The sold-out rager, which was sponsored by Musclepharm, Bodybuilding.com, ALR, Nutrabolics and Weider Publications, attracted some of the IFBB Pro League's top names, including **Phil Heath, Bill Wilmore, Ben White, Chris Cormier, Monique Minton, Nathalia Moreira** and **Monica Brant-Peckham**.

"My goal for this year's event was to truly set a new standard in afterparties for our industry," Dhir said. "There is only one mega-party in Columbus every year, and this is it!"
