

AFTER-ARNOLD BASH

Looking for postcontest excitement in Columbus? Check out the Sixth Annual Charity After Bash hosted by nightlife extremist **Jason Dhir** on Saturday, March 7. Dhir's annual post-Arnold Classic afterparty for charity will again be held at Columbus hot spot BoMA and guarantees to leave even the most seasoned party veteran

dazed and amused.

Last year's Charity After Bash was nothing less than a celebrity circus, featuring sideshow oddities, such as midget wrestling, fitness models parading for the camera in a live photo shoot and the still talked about *V for Vendetta*-inspired musical and theatrical performance.

Attendees of this megabash will not only get to dance the night away with top IFBB pros and guest celebrities, but also be blown away by Dhir's very own Candy Land creation that's guaranteed to leave a lasting impression.
